

GirlDefined exists for the purpose of encouraging young women (ages 14-25) to be God-defined girls in a culture-defined world.

Blog Topics:

Culture, Fashion, Femininity, Feminism, Gender, Guys, Personal Struggles, Relationships, The Future.

Characteristics/Style:

- Begin your post with an intriguing story. This will engage the reader and build interest.
- Write in the first person.
- Use personal stories throughout your post.
- When sharing a Bible verse always use the ESV translation and include the Scripture reference.
- Be relevant in your topic, language, references and examples.
- Write in a friend-to-friend tone.
- Always conclude your post by asking several questions. This will encourage conversation in the comment section (which is what we love!).

Format:

- Post must be in between 500-800 words.
- Submit your post via email to guestpost@girldefined.com.
- Email your post to us by copying and pasting the entire thing into the email, or sending it to us in a Word processing program.

Thanks for submitting your guest post to GirlDefined!
